Installation of Electronic Shareholders Meeting System (E-AGM)

Users can access the Mobile Application service via various smartphones, supporting both iOS (iOS 15 or later) and Android (Android 9 or later) operating systems. The application can be installed immediately through the App Store or Google Play Store.

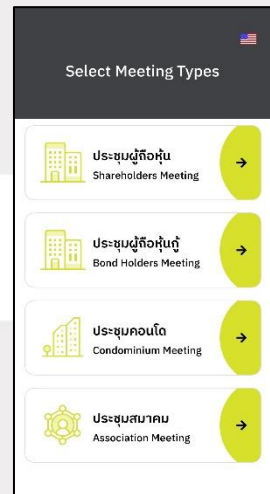

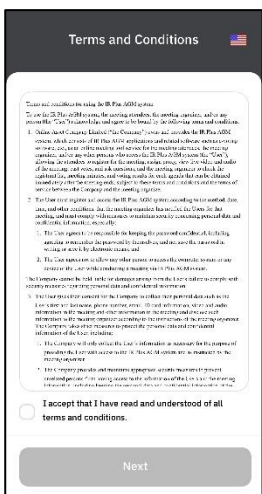

By searching for the application named IR PLUS AGM.

IR PLUS AGM

To access the IR PLUS AGM Application

After downloading the IR PLUS AGM application, tap the icon to open the app. Upon first use, there will be an introduction to the application, as well as an option to accept the terms and conditions for using the app.

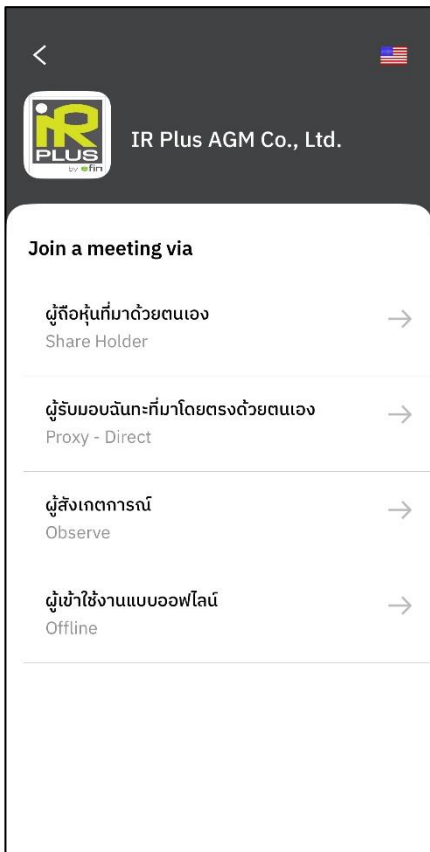

Tip: You can only accept the terms and conditions after scrolling through and reading the entire terms of use and service until the last line.

Using the Electronic Shareholders Meeting System (E-AGM)

After installing the Electronic Shareholders Meeting System (E-AGM) through the Mobile Application, you can access the system as follows:

Select the Shareholders Meeting

To use the IR PLUS AGM application to join the AGM, there are two types of users who can log in:

1. Shareholders Attending in Person (Shareholder)

- Shareholders can log in using their Registration Form, National ID number, or Passport number.

- Requirements to Start Using the Mobile Application

- National ID card for identity verification (KYC)

2. Proxy Holders Attending in Person (Proxy - Direct)

- The proxy can log in using the ID card number or legal entity number of the person granting the authorization and prepare a scanned document for verification.

- Requirements to Start Using Mobile Application

- A copy of the principal's National ID card with the signature

- Proxy letter and certificate in the case of a legal entity

(company) authorizing an individual.

There are two types of login methods:

- Type 1: Shareholders Attending in Person (Shareholder)

1. Shareholders attending in person (Shareholder) can log in using two methods:

- Scanning a barcode to log in, or
- Logging in with a 13-digit national ID number or passport number.

Shareholders must first select the company they wish to attend the meeting with before accessing the electronic shareholder meeting system (E-AGM), as shown in Figure 1.1 for Shareholders attending in person.

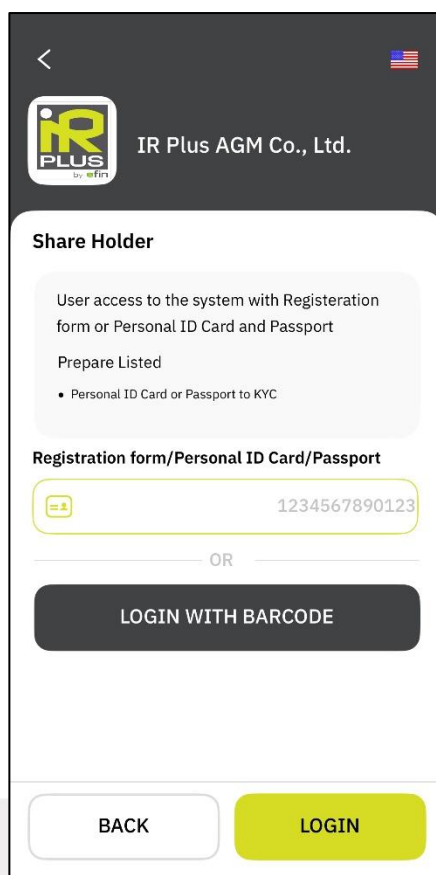

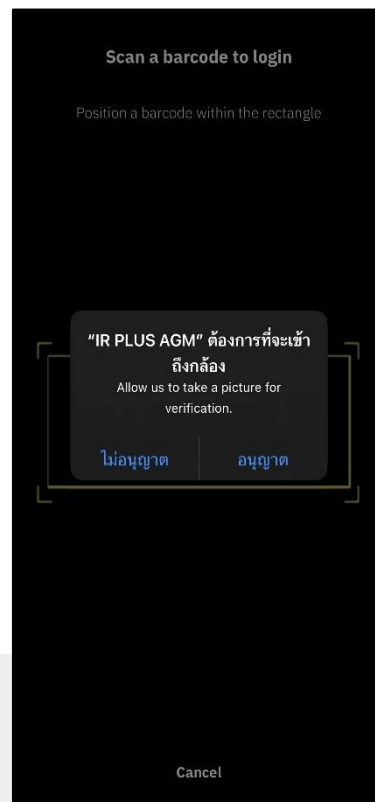

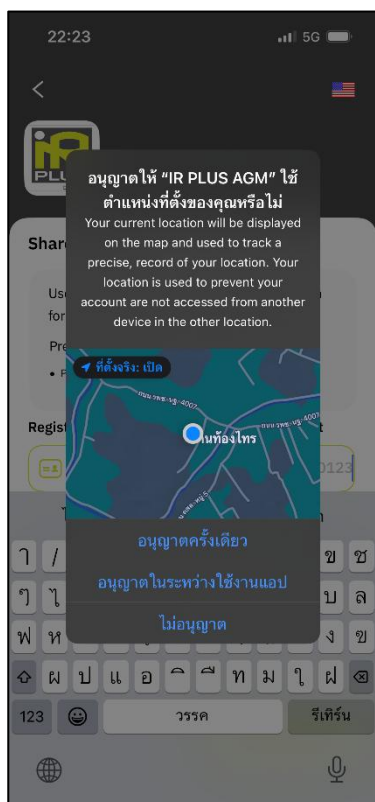

Figure 1.1 Login Page for Shareholders Attending in Person (Shareholder) via Barcode Scanning or Login with National ID Number or Passport Number

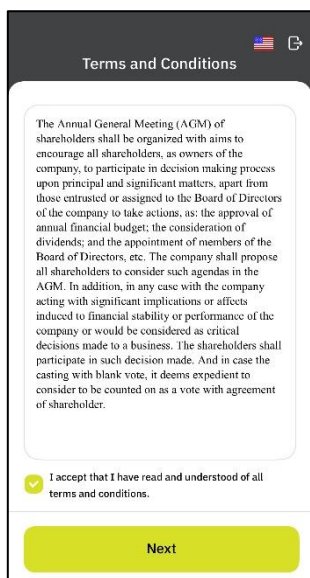

In the first-time use of the application, the application will prompt the user to grant permission for location access on the device. This can be done by selecting "While using the app" or selecting "Only this time." Permission to send notifications can be granted by selecting "Allow." The system will also request permission to access the camera and microphone, which can be granted accordingly.

In the case of logging in by scanning a barcode, users must prepare their registration document received from TSD to scan and access the application. The application will display an example of the barcode scan as shown in Figures 1.3 and 1.4.

Figure 1.3 Example of the Barcode Scanning Screen

2. Terms and Conditions for Using the Electronic Annual General Meeting System (E-AGM):

Once the user has reviewed the terms and conditions, they can click "Accept" to proceed to the next screen, as shown in Figure 2.

Figure 2 Accept Terms and Conditions Screen

3. Once the terms and conditions have been accepted, the system will proceed to the identity verification screen. There are two types of identity verification: verification via the AGM system and verification via ThaiID, as shown in Figure 3.

Figure 3 Identity Verification Type Selection Screen

3.1 In the case of selecting identity verification via the AGM system, the user will need to click "Confirm" to proceed to the next screen, where they must enter their identity verification details, as shown in Figure 3.1.

- Enter the 13-digit national ID number or passport number.
- Enter the phone number.
- Enter the email address.
- Choose the method to receive the OTP (One-Time Password) via phone number or email.

3.3. There are 3 statuses of the user's identity verification:

3.3.1. Pending: This status indicates that the verification is awaiting review.

Once the user has completed the identity verification process, the status will be "Pending" while the system sends the user's verification data for review by the system administrator. The result of the verification will be provided before the online voting opens.

*** If the user fails the verification, they will not be able to use any features within the application.**

2. Disapproved: This status indicates that the identity verification has failed.

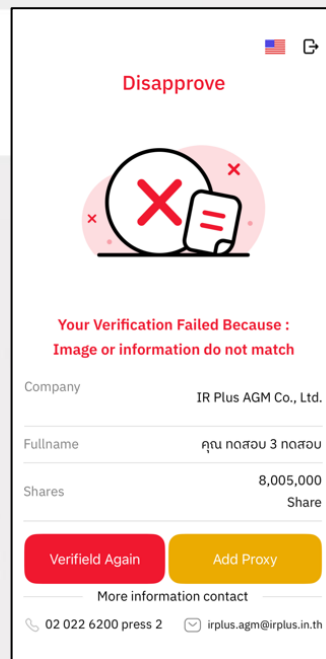

- When the system administrator reviews the user's identity verification and it does not pass, the administrator will notify the user immediately. The user will receive a notification stating: Identity Verification: Failed/ Reason for the failure.

IR PLUS AGM

Identity Verification: Failed / Note: The uploaded image must be clear.

If the identity verification is not approved, the system will notify the user of the error and ask them to re-submit the identity verification.

*** If the identity verification is not approved, the user will not be able to use any features within the application.**

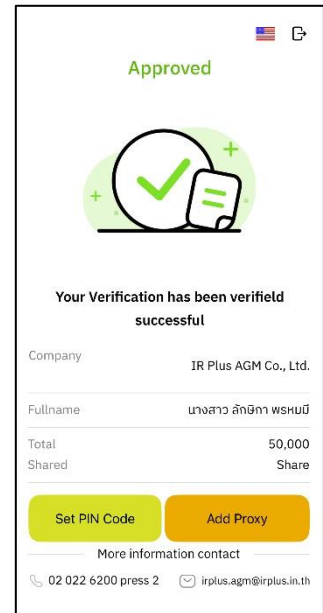

3. Approve: This status indicates that the identity verification has been approved.

- When the system administrator reviews the user's identity verification and it passes, the administrator will notify the user immediately. The user will receive a notification stating:

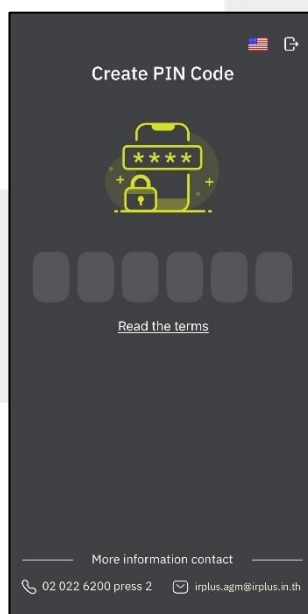

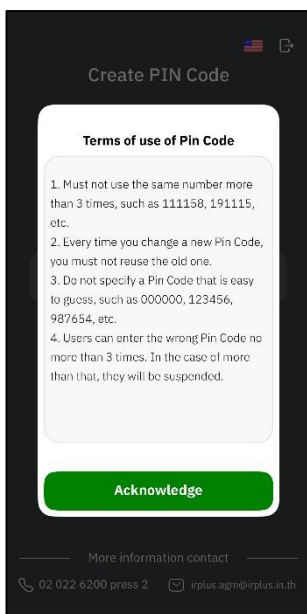

Identity Verification: Succeeded

- After successfully completing the identity verification, the user will be directed to the page to set up a PIN code for added security when using the application.

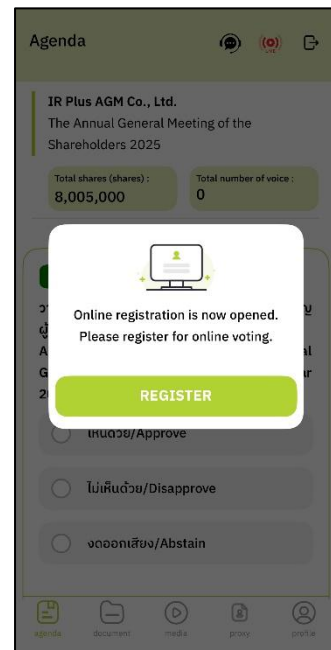

- After successfully completing the identity verification, the user will be directed to the page to set up a PIN code for security when using the application.

If the registration time has not yet arrived, a notification will be displayed indicating the time when registration will be available.

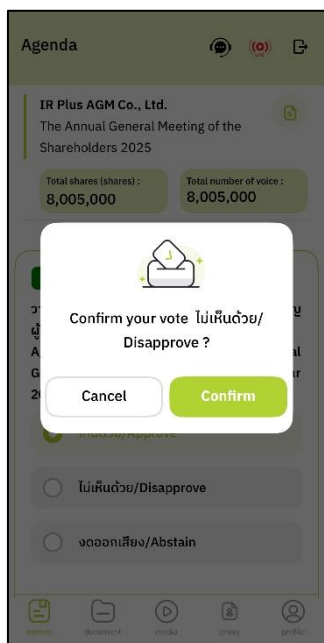

When the meeting time arrives, a notification will be displayed, prompting the user to click "Register" to join the meeting.

When the user clicks "Register," the system will immediately allow online voting. The user will be able to vote on one of the following options: Agree, Disagree, or Abstain.

Once the vote is selected, the system will display a message box, and the user must click the "Confirm Vote" button. During online voting, the user can modify their vote at any time until the voting period for that agenda item is closed

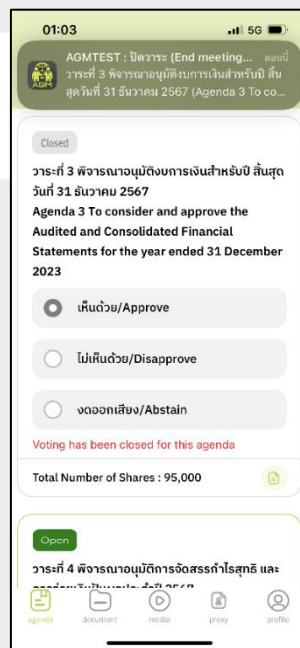

Once the user confirms their vote, the system will record the vote as submitted.

- When the online voting period is closed, the system will send a notification to alert the user.

IR PLUS AGM
Close voting for Agenda 1 - Meeting

Once the online voting is closed, the system will no longer allow any changes to the vote.

- When the agenda is closed, the system will send a notification to alert the user about the closure of the agenda.

IR PLUS AGM
Close Agenda 1 - Meeting

Once the agenda is closed, the user will be able to view the summary report for that agenda immediately.

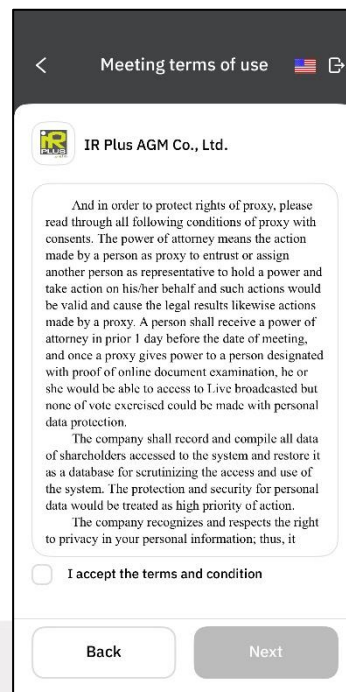

In case a shareholder wishes to grant a proxy to an independent director

The proxy types consist of two types: Form A and Form B.

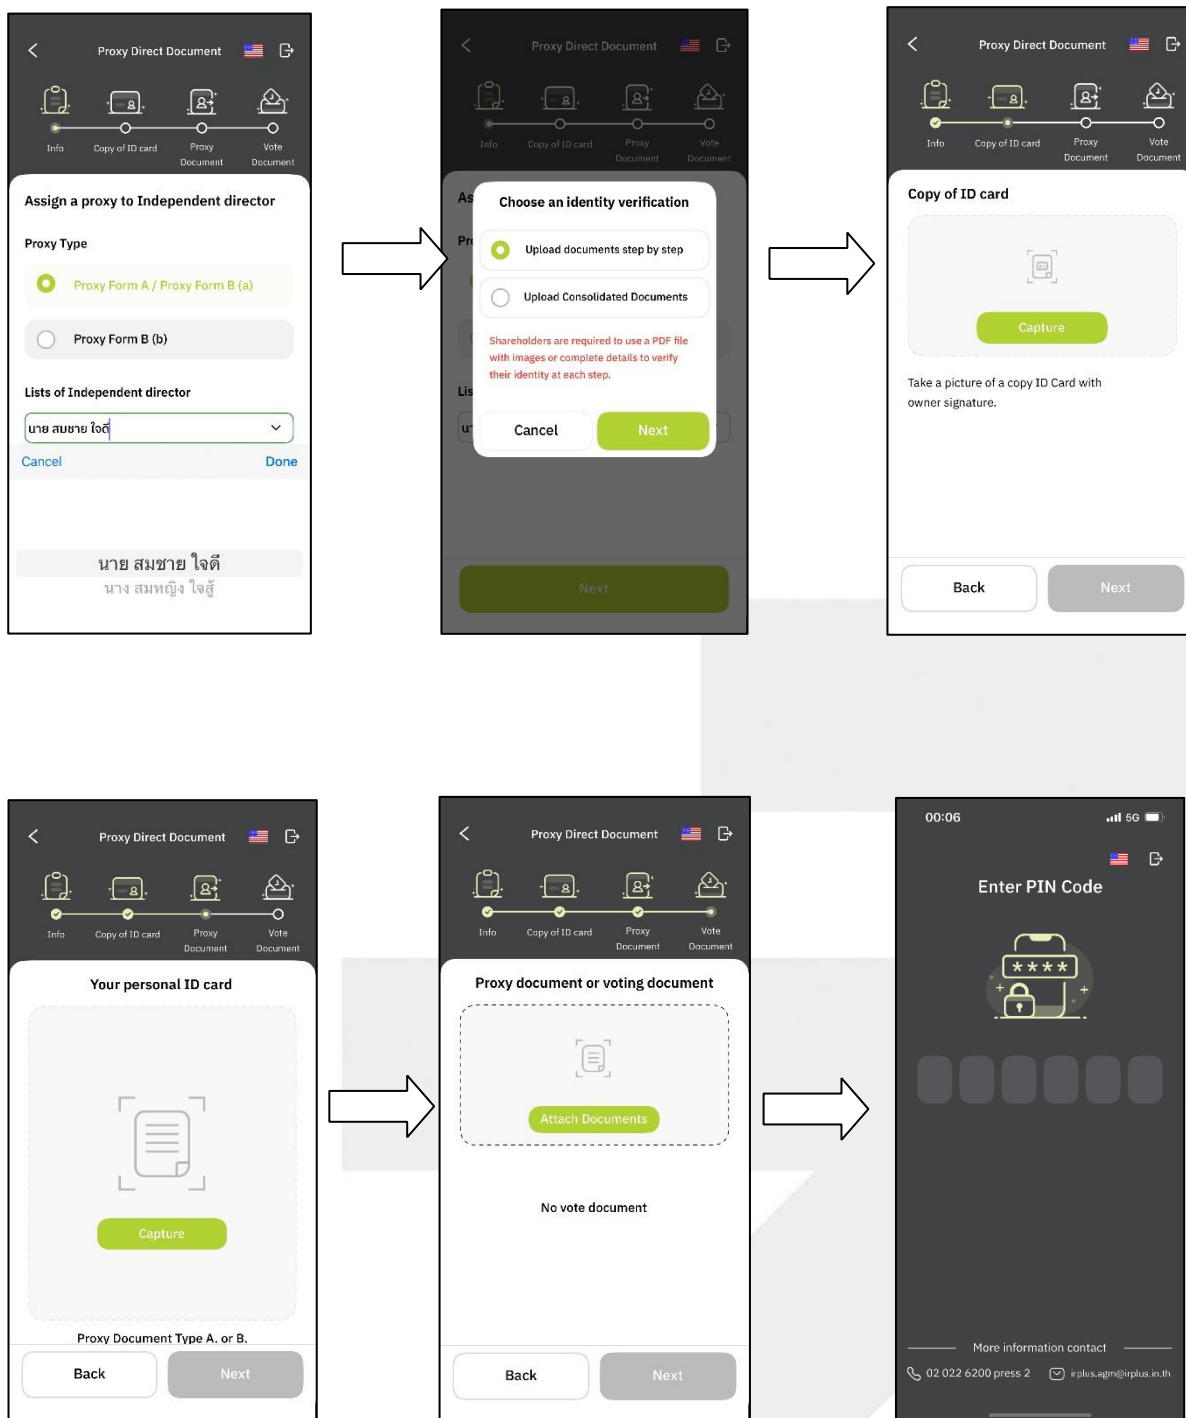

When the proxy type is selected, the system will display the proxy conditions page.

If the deadline for submitting the proxy has passed, the system will display a notification message.

The procedure for proxy appointment to independent directors Form A / Proxy Letter Form B (Item A), includes the following: Upload a copy of the principal's ID card and the proxy document.

- Once the steps for proxy appointment to independent directors using Form A are completed, the shareholder can simply click "Next" to enter the PIN Code and confirm the proxy. This is because Form A does not require uploading voting documents.

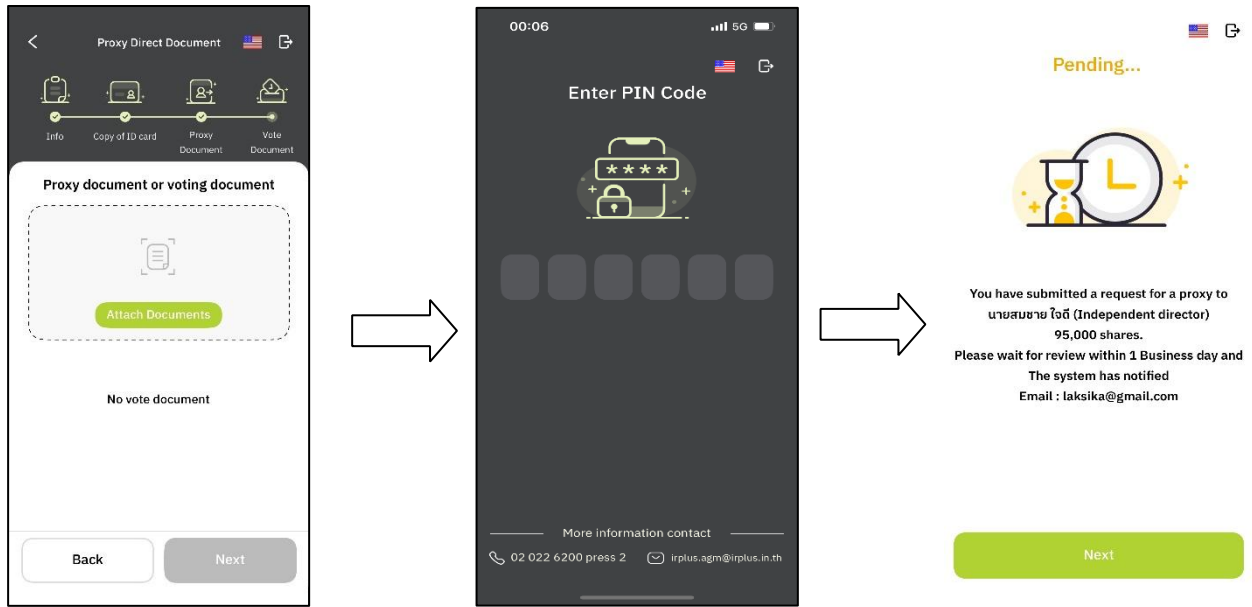

The procedure for proxy appointment to independent directors Form B

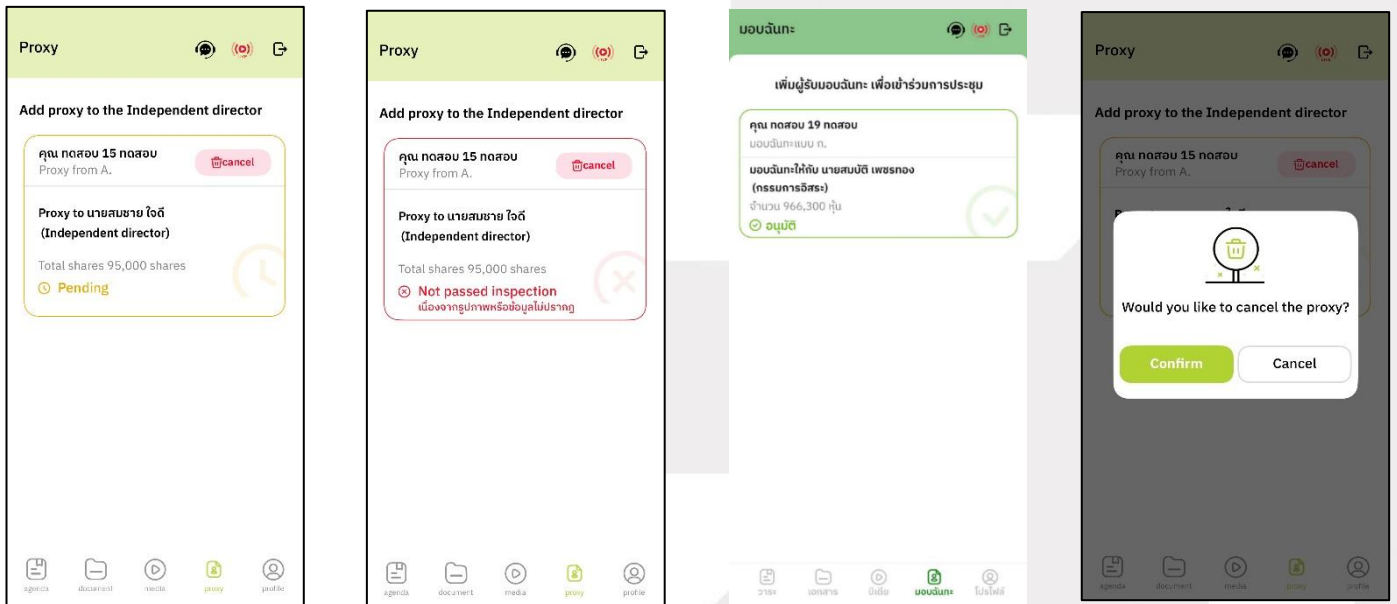

Upload a copy of the principal's ID card, the proxy card document, and the voting document.

- Once the steps for proxy appointment to independent directors using Form B are completed, it is necessary to upload the voting document and enter the PIN Code to confirm the proxy.

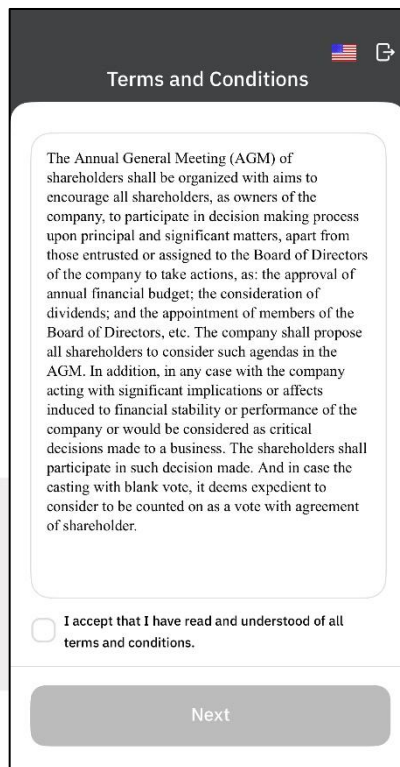

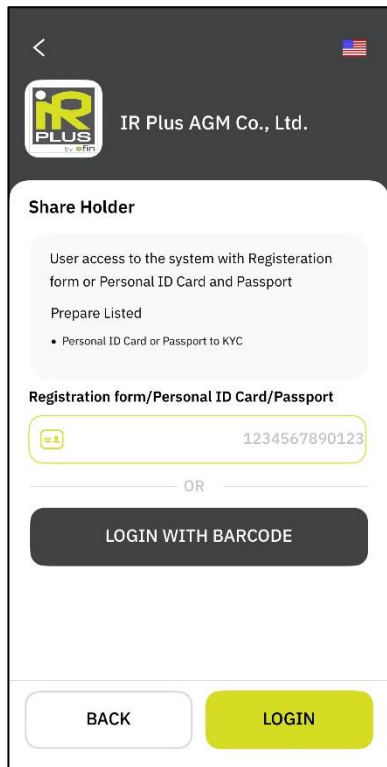

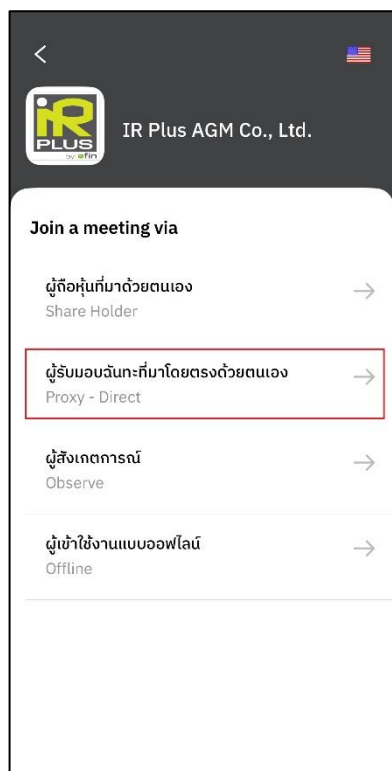

- After that, the verification will be pending by the system administrator. There will be three possible statuses displayed: Pending Verification, Verification Failed, and Completed, for both Form A and Form B. In cases where the verification fails, the shareholder can cancel the proxy.

Login Type 2: Proxy Holder Attending in Person (Proxy - Direct)

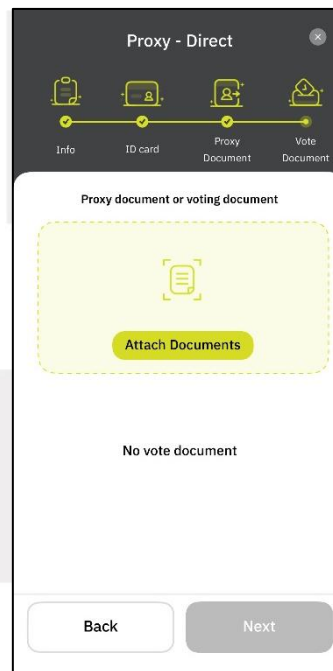

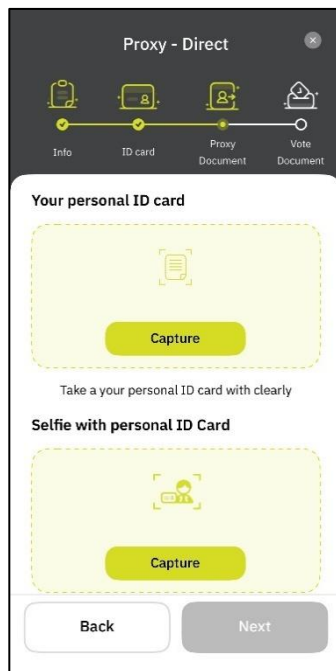

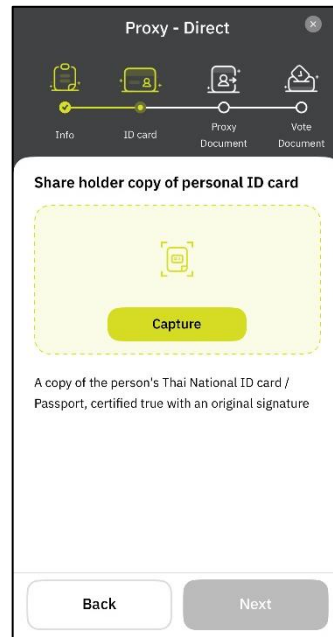

1. The proxy holder (Proxy) can log in using the shareholder's ID card number. They must first select the company they wish to participate in the meeting with, in order to access the electronic shareholder meeting system (E-AGM).
